✓ *Applications*

This allows us to provide solutions to a wide range of applications.

Present users of Samiflex Couplings:

Mining

Pulp & Paper Mill

Steel Mill

Cement

Fluid Handling

Chemical

Textile

Power Generation

Food Processing

Extraction

Industrial Processing

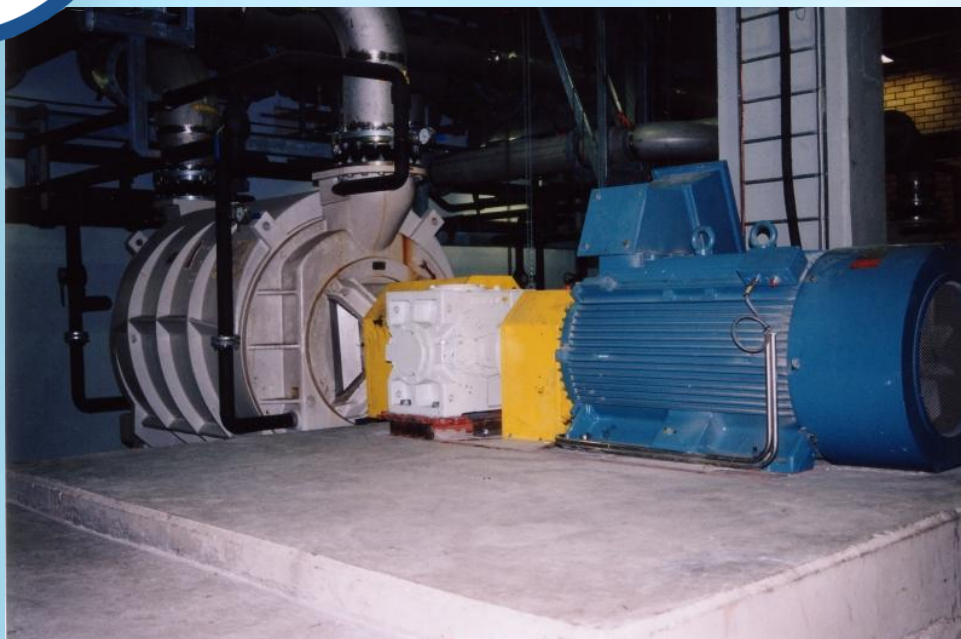

Agriculture

Samiflex Coupling – Pulp and paper mills

**PAPER MILL
(Centrifugal pump)**

samiflex®

Samiflex Coupling – Pulp and paper mills

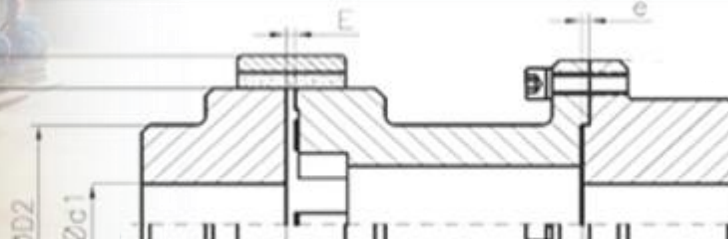

samiflex®

Samiflex Coupling – High performance centrifugal pump

Description: High performance centrifugal pump

- Spacer coupling for to remove mechanical seal without moving motor or pump, which avoids the use of elevation system.
- Area of fluid extraction on surface.
- Low hardness elastic insert to minimize vibrations and optimize system.
